

# X6 Kids Aluminium Wheelchair

The **Aktiv X6 Kids** is a lightweight, aluminium wheelchair suitable for occasional to full-time use with a strong, crash tested frame including a five year warranty. The flip back, removable, height adjustable armrests with comfortable PU armrest pads are supplied as standard. The backrest, legrests and rear wheels all have quick release mechanisms for easy transportation and storage.

Backrest and seat are supplied in breathable, padded upholstery for extra comfort. Tension adjustable backrest straps, height adjustable push handles, push button safety belt, stepper bar and anti-tippers are all supplied as standard. Supplied with a slide on one piece footboard which fits easily over the standard footplates to give a strong full width platform.

**Max User Weight:  
100kg/15.5st.**
